FAMILY OWNED AND OPERATED

Farming in Ohio is and always has been a family business. 95% of farms in the United States are family owned. A large number of acres or animals doesn’t mean that a farm is not solely owned and operated by members of a family.

In many cases, the same family has lived and worked on the same land for generations. While many farms use the standard accounting practice of incorporating, this does not change the fact that the decisions are being made by a family with the same goals and values as the rest of America.

“NEVER ALONE”

In 2014, Kayla received "The Greatest Transformation" award and scholarship when she finally graduated from Cedar Creek High School in NJ clean and sober. She had attended four different high schools in her addiction time frame.

The speech that was read that day at the award presentation triggered many tears.

Kayla, 24, is now attending college working towards a degree in social work and is employed part time as a recovery support specialist at a sober living and treatment facility for women.

Kayla lives at home with her family along with her many favorite pets. She is really happy these days.

Kayla loves her friends and family, and is proud to be an individual in recovery helping others.

**Cathy Cunningham Summit County Fair**

Cathy began in the fair industry even before she was born. Her grandparents were instrumental in moving the fair to its current location in 1957. Her dad has been involved in the fair business since his birth and so Cathy was drawn in and has grown up at the Summit Co Fair showing goats, horses and as well as non-animal projects to the fair from an early age. She also helped work in her dad’s food and game trailers and has continued that tradition by now working for her sister and brother-in-law at some other fairs around the state.

Cathy has served on the program, finance, grounds rental, grounds employee manager, 4-H promotions, Ag Education, Gates & Parking committees. She has also been the Jr. Fair Advisor and 2 years ago made massive changes to our Jr. Fair Program to get more of the 4-H youth and their parents more involved in the fair. This included creating fundraisers for the Jr. Fair Board to allow them the funds to travel to the OFMA Annual Convention as well as help with improvements on the fairgrounds as well as enhance the programs we offer to the youth.

Cathy joins her father Howard L. Call CFE and grandfather Charles E. Call as members of the Ohio Fairs Hall of Fame.

**Curtis Johnson Fulton County Fair**

Curtis Johnson of rural Fayette, a lifelong farmer, has always enjoyed the fair and been closely connected to agriculture through involvement with both 4-H and FFA. As a teenager, he and his friends would sleep in the cow barn and trailers during the fair. One particular morning during fair week in 1954, he recalls sleeping in a tent and being awakened by the sound of the turnpike construction. So, it seems only fitting that in 1981 a couple fellows would approach him asking if he would be interested in serving on the Fulton County Fair Board. He remembers thinking that he didn’t have a clue what he was getting himself into. His friends reassured him, “You’ll learn.”

So, began his 32 year tenure in various capacities including Livestock Committee chairperson through 2012. Curt is quick to state that the work of the fair could never be accomplished by one person. It takes a team of dedicated individuals. Curt says, “When I first got on the board, the fair was much smaller.” Reflecting back over his years of service to the fair, Curt recalls many fond memories. For him, the fair has always been a family event. His family helped out at home so he could be at the fair.

**Charles “Charlie” Cox Concessions by Cox**

Charles Cox began his business in 1957 driving the distinctive Dairy Clipper ice cream truck around the neighborhoods of Fayette County, Ohio and later an ice cream trailer was a staple at fairs and festivals.

The journey from a 10" by 10' cement block concession stand in Washington Court House, Ohio, serving 20 or 30 people an evening to a company serving hundreds of thousands gathered in Canada to see Pope John Paul II, concessions on the White House lawn for President Clinton or those gathered to watch this country’s greatest sporting events, is the one taken by Charles Cox.

Today, Concessions by Cox has offices in two states (Ohio and Georgia) and currently plays over four hundred events a year in front of over thirty million people throughout the East Coast, South and Midwest including beverage service to 5 Super Bowls, the Kentucky Derby and Indianapolis 500. Charlie’s most proud to having worked the Ohio State Fair for 62 years.
Ohio Fairs Hall of Fame Class of 2020

Dan Stone Ashland County Fair

Dan started off in his youth years 4-H, officer, FFA and showing at the Ashland County Fair.

Dan has served Ashland County Fair Board for 24 years. Dan commented, "I would like to be known as the Fair Board President that brought our fair into the 21st Century. Dan has served Ashland County Fair and community for all his life like his father Ivan Stone did. Dan's noted accomplishments include: computerizing the fair, Instrumental in the financial stability of the fair, daily fair revenues auditing.

Committee leadership includes budget, long range planning, tractor pulls, entertainment, rough truck. Dan has lent his leadership skills to support the Ashland FFA program and coaching youth sports in the county.

Dan Stone's soft spoken demeanor has brought to the Ashland County Fair a myriad of improvements, shared valuable insights into financing and offering skills that have serves as foundational to the fair's continued success for up to 60 years.

Larry Hughes Hartford Independent Fair

Larry was born in Licking County, where he grew up on a farm in the northwest corner of the county. Larry attended Eden Grade School and went on to graduate from Utica High School in 1957. In 1961 Larry was drafted to serve in the Military Police and spent 18 months in Wurzburg, Germany.

Larry's involvement with the Hartford Fair started by showing both dairy and beef cattle. When he was discharged from the service, he was coming to the fairgrounds and volunteering. In 1970 Larry was elected to a seat on the board and has been a director since. Over the years Larry has been on numerous committees including Gates, Concessions, Ticketing chairing many of them. In 2008 Larry was hired to be the Secretary/Manager of the Hartford Fair. As manager he has over-seen some very exciting projects on the grounds, as in the purchase of ten acres and the construction of a new entrance. Now the fair has access to two county roads and that has relieved a major problem of getting our visitors off the grounds efficiently.

Jerry grew up on a small dairy farm in rural Houston, Ohio where he learned about agriculture and a strong work ethic.

Jerry Schaffner Shelby County Fair

Since being Fair Secretary for 33 years, Jerry was always receiving "gifts" from the fair vendors, especially since his birthday always seem to fall during the Shelby County Fair.

Wherever Jerry went, he was wearing his Shelby County Fair Director attire. He always wore a Director's hat with the accompanying Fair Director's shirt. In 2018, Jerry was inducted in the Shelby County 4-H Hall of Fame. He was quite honored and it was a testimony to his unwavering support for the 4-H youth and the 4-H program. The interesting part of this induction was his friend, Keith Motter, who was in Jerry and Pat's wedding received the same honor. In 2013, Jerry received the Greater Ohio Showman's Associations Secretary of the Year award. The Buckeye Farm Antiques Club selected Jerry as their 2018 President's award recipient.
