FAMILY OWNED AND OPERATED

Farming in Ohio is and always has been a family business. 95% of farms in the United States are family owned. A large number of acres or animals doesn't mean that a farm is not solely owned and operated by members of a family.

In many cases, the same family has lived and worked on the same land for generations. While many farms use the standard accounting practice of incorporating, this does not change the fact that the decisions are being made by a family with the same goals and values as the rest of America.

The Ohio Fair Mangers is proud to announce the induction of Bob Reidenbach, Ashland County Fair

Robert Reidenbach, of rural Ashland County, served on the Ashland County Fairboard for 51 years. He served 4 years as the Board President, and also served as the First Vice-President, and the Second Vice-President.

Under his leadership, Ashland was the first handicapped accessible fairgrounds in the state. These upgrades included, in part blacktop streets and parking lot, cemented isle ways, and fully accessible bathrooms.

He was the 1994 Ohio District Five Outstanding Fair Supporter for his nearly 70 years of hard work. He served on the executive, building and grounds, and dairy/beef committees, the Junior Fair Livestock Advisory and was the Stock and Modified Tractor Pull Chairman. He initiated the Youth tractor safety program which continues today. He served as a 4-H Advisor for Loudonville Boys and Girls 4-H club. The Loudonville FFA awarded him as Honorary Chapter Member to honor his years as a community advisor. This former Navy man's family has followed his example.

His wife the late Sue Reidenbach was on the auxiliary and chairman of the needlecraft show while living. Son, Mike, was on the fairboard for several terms and grandson Adam is currently on the board. Daughter Melissa carries the passion to assist others within her career. She shared that at a local bank displayed a photo from many years of Bob harvesting a portion of the 500-acre family farm. The third generation continues to farm the land.

The Ohio Fair Managers Association is proud to induct Bob Reidenbach for the support to The Ashland County Fair, Ohio Fairs Industry, and service to his country, our community into the Ohio Fairs Hall of Fame Class of 2022

The Ohio Fair Mangers is proud to announce the induction of James Ridenour, Meigs County Fair

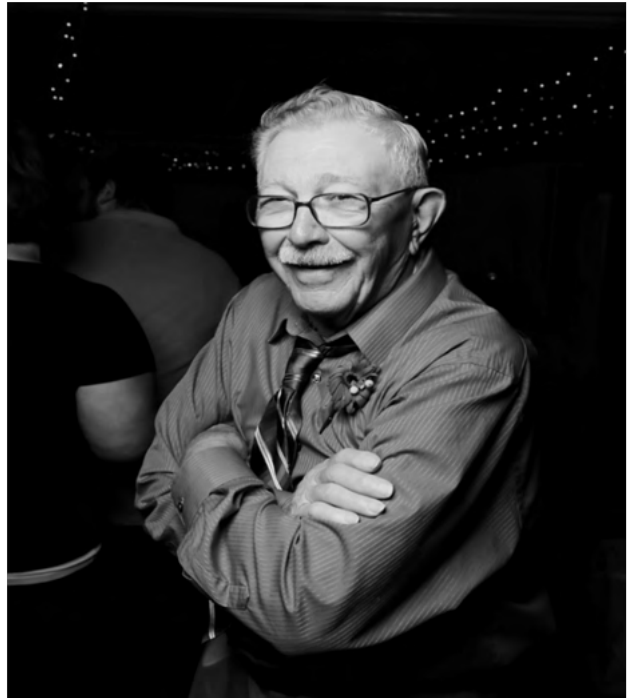

James (Jim) Ridenour and his wife June have supported the fair for over 50 years. Jim first participated at the fair when we celebrated our 100th anniversary and he had continued thru the 157th in 2020. He faithfully sat up his company's booth in the commercial building every year and greeted fairgoers with an ornery smile and cheerful hello. This was just one of Jim's favorite parts about the fair. He loved sitting in his booth and visit with "old friends" some that he only got to see and chat with at the fair.

Jim was a proud supporter of the junior fair service and livestock auctions. He not only supported the fair, but supported many other events held all over Meigs County over the years. Jim and June's dedication and their willingness to invest in the future of the youth and our fair became evident in 2012, when a substantial gift to the fair was made to replace the ageing livestock arena with the new Ridenour Family Livestock Arena. While Jim's biggest focus was the youth, he was a supporter of the entire fair. He was one of the very first day sponsors, an entertainment sponsor, supporter of the truck and tractor pulls and several other things.

Jim took a lot of pride in the fair and anyone that spoke to him quickly realized how much the fair meant to him. On sale day, he could always be found with his family sitting on the front row bidding on animals, making sure that each exhibitor walked out of the ring feeling proud of their hard work. Because of his generosity many kids were able to save for college and even their first car. His love for the fair wasn't just one week long, if you walked into his business you see all of the photos from the animals he has purchased over the years, and there is a bunch! While Jim's passion was the Meigs County Fair he also purchased animals at neighboring county fairs such as Athens and Gallia Counties.

Jim was proud his community and believed in giving back to others. He began his service to the community by serving proudly in the United States Army from 1957 to 1959, as a SP4 E4. After serving his country his service became community focused when he and a small group of others founded the Chester Volunteer Fire Department in 1960. This is also the year he started his business Ridenour Gas Service. Over the years Jim sponsored several little league teams, school sports teams and numerous community events. Jim often shared his kindness for others privately, by anonymously helping those in need and without anyone even knowing. In 2015, Jim was awarded the Meigs County Chamber of Commerce Community Pillar Award for all of his support and dedication to the people of Meigs County. Sadly, Jim passed away in February of 2021, the Meigs County Fair is privileged to have James L. "Jim" Ridenour and his family as supporters and we are honored that he is being inducted into the Ohio Fairs Hall of Fame posthumously.

The Ohio Fair Managers Association is proud to induct Jim Ridenour, posthumously, for the support to The Meigs County Fair, Ohio Fairs Industry, and service to our country, community into the Ohio Fairs Hall of Fame Class of 2022
