

# Spring Awards Nomination Form

The Nominations and Awards Committee will accept names for Spring awards throughout the season. These awards offer an opportunity for the membership of the GOSA to acknowledge outstanding Fair Managers, OFMA District Directors and support staff at events we work throughout the season.

These awards are presented at the various OFMA Spring Dinners. We also choose a Festival of the Year at this time. That award is presented at the OFEA convention in November, or at the festival itself when scheduling permits.

This past fall, the GOSA board added two more categories to the spring awards: Best Fair and Best Special Event (Not a Fair or Festival). Nominations should be complimented by at least a paragraph in support of the candidate (use the reverse of this form or attach a separate piece of paper) and must include the nominator's name.
