## QUEEN AMBERLY SUMMER TRAVEL PICTURES

# Reflections on an Unforgettable Summer of Fairs

## Amberly Szczerbiak 2025 Ohio Fairs' Queen

This summer has been filled with so many memorable experiences as I've toured Ohio's fairs in my role as the 2025 Ohio Fairs' Queen. As fair season wraps up, I am so blessed to be on my way to visiting all of Ohio's county and independent fairs, traveling across the state and experiencing their traditions and community spirit. Each stop has been a privilege, offering a chance to see the character that makes our fairs so special.

Every fair has showcased the dedication and hard work of youth exhibitors, volunteers, and fair board members. Along the way I've been able to experience opening ceremonies, parades, livestock shows, and royalty competitions; help with judging; and learn a variety of new skills. Meeting royalty courts and exhibitors while leading pledges, presentations and awards has been an unforgettable honor.

Traveling such a wide circuit has opened my eyes to the individuality of each fair—some with antique barns and sensory-friendly spaces, others with iconic features like Budweiser Clydesdales and historic buildings. Beyond the public events, these miles have led to connections with families, children excited to show their animals, and longtime fair supporters who keep these traditions alive.

I'm thankful to **Fairs.com** for helping me with my summer travel expenses and to the entire Ohio Fair Managers Association for everything they do to support our fairs. I'm grateful for the chance to continue serving and to experience the energy, pride, and heritage that make Ohio's fair family so extraordinary.

See you in Columbus in January

*Amberly*

# 2026 Program Committee Planning

Deb Hukill Chairwoman

Hope everyone had a great fair! Fair season is almost over. It's time to plan for your 2026 fair.

The OFMA board has been working on the sessions for convention since early spring. We try to offer topics for everyone. Small Fairs, Large Fairs, Office Staff, Animal Committees, Ethics, New Members, and everything in between. The Board has created 12 topics for Fair Board officers, Managers, Treasures and Secretaries. These topics all are expanded education classes with Certificates of Attendance and Door prizes to be awarded as well as the top 3 fairs will receive gift cards for the most attendance at the Spring Meetings. We have learned that all fairs are different but with a lot in common. It's important that we take the feedback we receive from all our Counties and have topics that will interest the majority.

Our board does not have all the answers but the Ohio Fairs are made up of directors who do! We rely on you to answer the call to lead sessions that relate to topics in your expertise. You should all be proud of the programs presented and encourage your members to attend and report back to your fairs the knowledge they have gained from others. The sharing that goes on at Convention is well worth the trip.

Look forward to seeing all of you in January.

# Best Practices Sessions should be a big help to Secretaries, Treasurers & Others

**Bob Dawson, OFMA Treasurer**

Convention sessions focused on core competencies for secretaries, treasurers and others having fiscal and administrative responsibilities, should help all that participate to sharpen their professional skills. Several of Ohio's best secretaries and treasurers will share their expertise and the techniques which have made them successful in their trade.

Sessions, including ones on Administrative Operations, QuickBooks, Charts of Accounts and required reporting, will be presented by some of Ohio's most successful practitioners using a panel format. Sessions will start on Thursday and repeat throughout the convention program.

Your session attendance will also earn you a chance to win a \$100 gift card and a grand prize to be awarded at a spring meeting.

**You will want to carefully comb through the convention program and include this training as part of your professional continuing education.**

## 2026 Junior Fair Conference

Roger Smith Chairman

Are you making plans to bring your junior fair board members to Columbus on January 17, 2026? This is an exciting day for the junior fair board members around the state. Gathering with other teens from different fairs in Ohio. Participating in groups that allow them to learn more about the inside of a fair and gaining skills to make their interactions with their peers and other fairgoers more productive. These are all the goals of the OFMA Junior Fair Conference.

This gathering is the largest in the nation and the team working on the program is putting together a day that will be helpful to the teens coming in for the conference. The opening session on Saturday morning includes a keynote speaker and the crowning of the 2026 Ohio Fairs' Queen. The lucky young lady is selected from County Fair Queens from around the state.

Following the opening session, there will be roughly 30 sessions spread out through the middle of the day for the JFB members to attend. And if they are lucky enough to have a little down time, there is a trade show for them to browse through and possibly pick up ideas for their local fairs.

If your Junior Fair Board is planning to attend and is coming in on Friday evening, there will be a get acquainted mixer for any group or individuals who would like to attend. Food and activities will be on tap, coordinated by several extension personnel from around the state. Those who have attended in the past have enjoyed themselves and there is always enough food to go around. I would encourage you to work with your junior fair boards and put this on their radar. See you in January. *Roger*

A large green speech bubble on the right contains the text "HEY OHIO!". Below this, the text "DON'T MISS THE 2025 OHIO STATE FAIR" is written in white, with "JULY 23 - AUGUST 3!" in green. At the bottom, there are two logos: the "Ohio THE HEART OF IT ALL." logo on the left and the "Ohio State Fair" logo on the right.
