With over 150 fairs and fairground events on the platform, Fairs.com has gathered insights from ticketing transactions, social media marketing performance, and direct customer surveys. This session will dig into the questions fair leaders ask most often: What really draws the crowds in? How do we stretch our marketing budget in smart ways? How can we get the most out of limited staff and resources? Backed by real data and experience serving fairs nationwide, Scott will share practical strategies that turn analytics into actionable growth.
